

COLOR LASER & COPIER PAPER

Xerox Planet 20 True White

This SPF certified paper is made from 30% post consumer waste. The true white color is best suited for skin tones and vivid color reproductions. Although it is a 98 bright paper, it is not a blue white like most bright white papers. 28 lb. Paper has 500 sheets per package and the cover weights have 250 sheets per package.

NO.	SIZE	WEIGHT	PKG/CTN	PRICE/PKG

XER3R11811	18" × 12"	100 lb.	3	71.50

Xerox Graphic Expressions Warm White and Cream White

Made from 30% post consumer waste, these papers are ideal for color copiers and laser printers. Warm white is best suited for images accenting red, orange and yellow. Cream white is ideal for a blend of text and graphics that is easier for extended reading with a pleasing soft subtle tone. 28 lb. Paper has 500 sheets per package and 80 lb. Cover has 250 sheets per package.
