Crystal Clear Protective Closure Bags

Crystal Clear Protective Closure Bags prevent the glue from coming in contact with your product. This is achieved by placing the resealable adhesive strip on the outside of the bag instead of on the flap. This type of seal helps prevent the contents being removed or re-inserted from coming in contact with the adhesive strip. These bags are great for prints, artwork, photographs, and documents. Sold in packs of 100. Sizes are plus or minus ¼" in size.
